Photograph idea:

On a separate page (be sure to include your name) please submit 300 words or less which explain who, how and what you plan for your photograph.

- Describe your medium (digital SLR, point and shoot, phone camera, film, format, etc).
- Describe the setting and proposed plan for your shoot. It's ok if you don't have all the details worked out at this point, but give an idea of what you're thinking.
- If there are any special concerns or ideas for the printing of the photograph, explain those as well.
